4 Kuringai Way, Ocean Shores

This recently renovated brick and tile home has a family-friendly layout and a low maintenance yard.

The house is bright and clean with an updated contemporary country-style kitchen, new bathroom, blinds, carpets and flooring. Finished off with crisp paint throughout, this really feels like a new home inside.

Open plan kitchen and dining, three bedrooms with built-in wardrobes and an undercover outdoor entertaining area make this a great practical family home.

Open house time is the first available time to view the property.

Please note: This property will be having development going on in the backyard at some stage. A small rent reduction will be applicable once the building works commence.

A single garage will also be being built for this house in the near future.
