Mid-Century Groove

UNDER OFFER

Nestled in a quiet cul-de-sac, a short stroll to town is this single-level 3-bedroom 2-bathroom brick home on a 753 m2 block set back from the road. With a mid-century groove, this house has potential galore! The galley kitchen is well-equipped and includes a serving window, dishwasher and gas cooktop. Open plan living and dining spaces make this home desirable, with high raked timber lined ceilings, air conditioning, white laminate flooring and sliding doors that open out to the covered outdoor entertaining/pool and garden area.

The main bedroom has high ceilings, aircon, ensuite and a separate office area. All three bedrooms have built-in wardrobes and sliding external doors all opening onto the east-facing backyard. The European-style laundry is neatly tucked away, and the main bathroom has a separate bath and shower.

The L-shaped layout of this home is focused around the pool area, which all the rooms face out to enjoy. The property is fenced and has a saltwater pool with shade sail for those summer days. There is a large undercover outdoor entertaining area with well-established tropical, native plants and fruit trees. There is a timber sun deck that overlooks the pool and views to Mt Chincogan. Solar electricity and hot water will help to keep the bills down.
