955 The Pocket Road, The Pocket

RURAL RETREAT

RAINFOREST LIVING

A house to love that is both modern and chic, rendered inside and out with wrap around verandahs, all rooms have external access, and louvered windows to catch the cool breezes, and they look out over the tropical gardens and the abundance of native birds that visit every day. There is also a studio/workshop for the craftsman, an unlimited supply of crystal clear bore water and vegie and herb gardens that are well kept and well maintained and ready for you to start planting. The Main Arm store is only 3 mins away and the property is centrally located between Mullumbimby and Billinudgel/Ocean Shores. If you are looking for a sub-tropical rural lifestyle then you really should not miss this.

With the addition of a new road to the top of the property all 29 acres are now easily accessible, as are the ocean views. It is getting harder and harder to find land like this on the North Coast.

- Open plan kitchen, dining and living.
- Three bedrooms, 2 with built in robes.
- Approx 29 acres
- Wildlife included, but need to be loved
