

10 Narooma Dr, Ocean Shores

Architect Designed Home with Income

These 2 homes, with subdivision potential, are built to a style and quality uncommon to this market. Clever architecture and design has taken full advantage of magnificent views from this elevated site. In construction, the use of concrete and steel has created an industrial edge which is softened by timber and bamboo features inside and out. The primary home has 3 bedrooms, 2 bathrooms, stainless steel kitchen and a huge open plan living area opening to the front and rear onto wide covered verandas. The secondary house has 1 bedroom and is separate with autonomy and privacy with a rental value of \$350 per week.

- Subdivision potential (council approval required)
- Builders warranty
- Native low-maintenance gardens
- Solar hot water
- Freestanding stone bath
- Solar passive design
- Terraced herb gardens
