23 Helen St, South Golden Beach

Big Bold Beach House

South Golden Beach is the place to be. The beach village feel that has disappeared from many coastal towns still exists in this little community. This beautiful modern beach style home set over 2 levels is only 150 metres to the beach. The upper level includes the main bedroom with ensuite, walk in robe and north facing deck and another 3 bedrooms with access to a front deck, the main bathroom and second living area. The lower level features open plan kitchen living & dining, an undercover deck overlooking rear landscape gardens, sunken spa & private Balinese pavilion. Other features include polished timber flooring, high ceilings and light-filled spaces throughout. Fantastic beach side buying.
