

A Piece Of Mid Century Mullumbimby

A rare find indeed. The first time offered in over 60 years, this magnificent example of "mid-century Mullumbimby" has been a home of quality since the day it was conceived with many features prized and sought in today's market. The home is not just double brick, every wall inside the home is brick. Among the many unspoilt features of the home are the freshly polished timber floors, timber sash windows, high ceilings with moulded plaster cornice, terracotta tile roof, French doors and the list goes on. There is a real story to this property and the names inscribed on the inside of the sandstock garage is nostalgia if not intriguing. The reluctant sale of 46 Main Arm Road by this local family opens up an opportunity for a new family to enjoy and create their own history in this great old home.
