## A Charmed Life

### Village Classic

It's hard not to be charmed by this c1920's weatherboard. With restoration at the heart of its' recent revival, the owner has preserved every period feature of the house and the results will bring a smile.

The location is both quiet and convenient with very little passing traffic at the end of this family friendly cul de sac just a few minutes walk from the village.

A quaint and well planned landscaped garden befitting the home with heritage fragrant roses, magnolias and jasmine surrounds the home. The big backyard is complete with "she shed", garden locker and quirky potting shed and is bathed in winter sun.

An ideal village home.
