2/26 Helen Street, South Golden Beach

Beachside Contemporary

Every component of this architect designed home has been carefully considered and the result is a house which is both pleasing to the eye and easy to live in. The living areas are light filled with polished timber floors and soaring ceilings. The kitchen is big and open, just perfect for entertaining and the quality is obvious. A covered north facing timber deck flows out from the living area, ideal for gatherings in all weather. Upstairs, the master bedroom has a large ensuite, walk in robe and plenty of space and its own sunny deck. Bedrooms 2 and 3 downstairs are big with separation from the living spaces and the large study could easily be a 4th bedroom. The South Golden Beach location is fantastic, just 200m to the beach and the popular Mrs Birdy's Cafe. Too good not to inspect.
