67 Fingal St, Brunswick Heads

## More Than Meets The Eye

Built in the early 1900's and moved in 1985, this old girl is a definite "diamond in the rough". The 1980's brick veneer exterior hides a beautiful old timber home with original pressed metal ceilings, timber floors, picture rails, skirting boards and architraves. The location is fantastic, reserve on two sides with front and side access on the end of a very quiet village street. Wide hallways and very high ceilings make the rooms and spaces light filled. A property worthier of love and attention you will not find.

- Potential for Granny Flat
- Bush reserve behind
- Enormous potential
