

29 Yalla Kool Dr, Ocean Shores

Prime Ridge-Line Location

The grand formal entry to this home is a fitting introduction to what is one of the most impressive ocean view properties in the north of the shire. Practically every window catches the views, with no possibility of being built out by neighbouring properties.

You will find immaculate presentation throughout, gleaming water views of the ocean and the magnificent heated swimming pool to die for with magnesium filtration and its' own huge party deck backdropped by a native bush reserve corridor.

The main level features formal and informal living areas, dining room, powder room, study and kitchen all oozing class and looking out over the reserve to Cape Byron.

Linking the ground level with the second storey is the centrepiece of the home, an architecturally striking timber staircase with a light filled void afforded only to a house of this size and quality. The upper level has 4 bedrooms including the luxurious master with walk in robe and en-suite. There's also a third living area with a wet bar ideal for the in-house barista to serve the morning espresso and soak up the amazing views
