

1 Tongarra Dr, Ocean Shores

Tongarra On The Ridge

This custom-built timber home has character and individuality. A grand formal entry reveals soaring 5 metre cathedral ceilings which fill the house with light and give the interior spaces volume. The ridge line position gives the occupants a view from just about anywhere in the house - magnificent ocean views front and back and reserve in 3 directions. The location is great for those looking for privacy and if you want to be able to venture into Brunswick Heads for the beach and a coffee, it's a short walk or ride from your back gate. It's also in the catchment for Brunswick Heads Primary School.

A brilliant family home with plenty of living space. The upper level main bedroom is a retreat with WIR, ensuite, large secondary living area and adjacent deck to take in the views. The 5-level layout would also allow separation for multi-generational living or home sharing. Whatever your needs, there's room to move around and spaces to escape to for everyone in the home. There's also a generous sized study for those looking to work from home or a fourth bedroom if need be.

The main hub of the house is a large open plan kitchen, dining and living area with polished hardwood flooring which opens out to a big party deck. Views to cape Byron and the hinterland are all around you. The entertainer's kitchen has stone counter tops and plenty of cupboard and bench space.

Every detail of the construction was carefully considered and in the design the owners have left further potential with large areas under roof space ready for extensions or a granny flat (STCA) for extended family or income.

A fabulous North Coast home.
