Starting Out Or Stepping Up

If you're embarking on buying your first home or looking for a project with good bones, this retro family property could be for you. The house is single level with separate garage and loads of potential to renovate, extend or build a granny flat. Of course, there's no need to do anything, you could just move on in, add some Parker furniture and embrace the 1970's/80's vibe.

The location is quiet and just 200m from a Waterlily park with tennis courts, an exercise circuit and children's play equipment. Overall, this well-loved brick and tile home is bound to tick boxes for a lot of you buyers. Don't hesitate call for an inspection.
