Good Bones – Big Block

Renovate to your heart's content in this large proportioned split 3-level home. Well laid out, the house is a great family home with separate living spaces on different levels. The main bedroom has a walk-in robe and ensuite and the other 2 bedrooms on the lower level are adjacent to the main bathroom. Separate to the house there's an artist's studio and a sauna containing the third bathroom. The landscaping is mature, creating privacy and a bushy green outlook from just about every window. Plus there is a 1.5 kW solar power system. The block is huge and for the small-scale developer there could be an angle or two to explore.

This is a good house on 1208sqm that just needs some new energy. Be quick.
