

7 Coonawarra Ct, Ocean Shores

One Chance

Offered for the first time to the market, this golf course property is the best all round package on the Ocean Shores championship golf course. It is an awesome lake side location with glorious north east views across the lush fairways and greens. There is direct access to the course at the 5th hole with an easy run up to the club house facilities, pool, restaurant and bowling greens.

The property is tucked away at the end of a very quiet cul de sac where privacy, peace and quiet are assured. The spacious home was designed to take full advantage of the location and views with doors leading out from all areas onto its large, covered deck, complete with a sparkling 5 seater spa.

Inside the home, the living and entertaining areas are abundant. Who wouldn't want to have friends and family over when gatherings can spill out from the house to the deck and onto a beautiful lush lakeside lawn? The house features freshly polished timber floors, granite kitchen, formal entry, plenty of light and cool breezes off the lake. The large master bedroom has a large ensuite and robe plus access to the deck and a beautiful outlook. There is also plenty of room for the pool, boat or caravan on approximately 983m².

This really is a rare chance, even if you're not a golfer. This type of outlook and location is near impossible to secure, you must be at the right place at the right time. It's now.
